# COMPLETECHAMBER™
By Complete Member Systems

## Your one-stop solution to easy, web-based, chamber management.

### One Place to Manage Your Chamber
**No more double and triple entries.** Our integrated chamber platform will be the only place you need to manage your members, your website, and invoicing.

### Easily Update Your Website, Events, & Member Listings
Without any technical skills, you can keep your chamber's info updated at any time. Post updates on news, events, sales, members, businesses, and more. Create your own forms to gather information and feedback.

### Generate Other Revenue Streams
With our built-in advertising and coupon system, you can find creative ways to generate non-dues revenue for your chamber, all while helping grow your members' businesses.

### Integrate with QuickBooks
To save you time managing invoices, payments, and receivables; we've integrated our chamber software with QuickBooks. No more batch errors. No more double entries.

### Boost Traffic with Simple Integration to Social Websites and Search Engines
Your website will automatically adjust itself for users to share your site on their favorite social network and for search engines to read your site correctly for higher rankings.

*"Our visitors and members tell us how much they love our new chamber of commerce website, and I like CompleteChamber because it's so easy to use! CompleteChamber has saved us thousands of dollars per year in administrative costs, launched us to the first page of Google, and helped us bring in over $2,000 per month in advertising revenue."*
